

Attijariwafa bank renews the experience of the Digital Activity Report for the 2018 financial year

Casablanca, 10/16/2019 - The Attijariwafa bank Group puts online, for the second year in a row, a new digital edition of its 2018 Activity Report.

Designed for an informative, immersive and intuitive navigation, this new innovative financial communication platform offers a great wealth of content including interviews of managers, perspectives of the Group's business lines and videos dedicated to the innovations of the year.

The different themes of this 2018 digital edition - Retrospective, Performance, Customer Experience, Transformation, African Dynamics and Responsibility - provide a comprehensive overview of the Group's activity and prospects.

The expert audience will find the entire Attijariwafa bank ecosystem : the main contents of the Activity Report, the Management Report, the CSR Report and the achievements of the Attijariwafa bank Foundation.

Like the previous edition, this new report is 100% responsive and represents another illustration of the acceleration of Attijariwafa bank's digital transformation.
