

## The Attijariwafa bank Group publishes its 2019 Activity Report

**Casablanca, November 20, 2020** - The Attijariwafa bank group publishes its Activity Report for the financial year 2019. Through this Report built around the theme of «Inclusion», Attijariwafa bank highlights its contribution in order to affirm its commitment to build an inclusive future for all, guided by its long-term vision and values.

As a result, the Group continues to capitalize on its strengths and performance levers, namely: keeping all its clients at the heart of its priorities, remaining focused on innovation and the search for efficiency, and contributing relentlessly to the advancement of economies and territories by embedding its actions in a dynamic of sustainable growth and the creation of shared value.

In addition, the Group also publishes a report dedicated to the 2019 achievements of the Attijariwafa bank foundation.

The activity report is available in its entirety online and in a digital version (with a shorter and easier to find content thanks to a new format adapted to digital navigation).
