

Attijariwafa bank launches 100% online account opening for Moroccans living abroad via the Attijarimobile app

Casablanca, August 24, 2021 - Based on the latest technological developments, Attijariwafa bank continues to innovate and launches a new, simple and seamless digital solution for Moroccans living abroad to open their account online.

How does it work?

To open an account, customers no longer need to go to a branch. All they need to do is download the Attijarimobile app and follow the different steps of the account opening process. If they have any issues, they can contact customer service at + 212 5 22 58 88 59.

This is a simple and secure banking experience that consists in creating a personal space, confirming one's identity with a selfie, personalizing one's account, choosing the offer that corresponds to one's needs and signing the documents online.

In addition, customers can choose between three different packages that cover the main banking services designed to meet the needs of different types of customers.

To mark this launch, Attijariwafa bank is offering the first six months of the e-packages for free* to Moroccans living abroad.

Attijariwafa bank remains attentive to its customers' needs and reaffirms its ambition to be the reference bank in terms of customer satisfaction.
