

The Attijariwafa bank group expands its presence into Chad

Casablanca, 19 April 2022 - The Attijariwafa bank group consolidates its presence in the CEMAC zone (Economic and Monetary Community of Central Africa) and creates a new subsidiary in Chad called Attijari bank Tchad.

Chad is a market with promising prospects, boasting a unique geostrategic location, a young and dynamic population, and a strong potential for economic development.

With this new presence, the Attijariwafa bank group extends its international network to 26 countries and pursues its ambitious pan-African development strategy aimed at building a leading pan-African banking and financial group, serving its customers and partners.

About Attijariwafa bank

Attijariwafa bank is the leading banking and financial group in the Maghreb and a key player in the CEMAC and WAEMU zones.

In addition to its banking operations, the Attijariwafa bank Group is active in a wide range of financial services through its specialized subsidiaries: insurance, mortgage loans, consumer loans, leasing, asset management, stock market intermediation, private banking, consulting, long-term leasing, factoring...

The Attijariwafa bank Group employs more than 20,583 people and manages a portfolio of nearly 10.6 million customers. Attijariwafa bank is based in Morocco and operates in 26 countries through majority-owned banking subsidiaries:

- In Africa: Benin, Burkina Faso, Cameroon, Congo Brazzaville, Côte d'Ivoire, Egypt, Gabon, Mali, Mauritania, Niger, Senegal, Togo, Tunisia, and now Chad.
- In Europe: Germany, Belgium, Spain, France, Italy, the Netherlands.
- It is also present, through financial companies or representative offices in London, Geneva, Montreal, Abu Dhabi, Dubai, and Riyadh.
