

Attijariwafa bank named «Best investment bank in Morocco in 2022» by Global Finance

Attijariwafa bank, February 22, 2022 - In its 23rd annual edition of the best investment banks in the world, the prestigious American magazine Global Finance has just named Attijariwafa bank «Best investment bank in Morocco for the year 2022”, for the 7th consecutive year in New York.

To score and select the winners, the editors of Global Finance, with input from industry experts, used a range of criteria, including bank performance, market share, number and size of transactions, services and advice provided to clients, structuring capabilities, distribution network, efforts to respond to market conditions, innovation, pricing, after-sales underwriting performance and market reputation.

Joseph D. Giarraputo, Founder and Editorial Director of Global Finance, said «Investment banks are playing a leading role in reshaping the global economy as the pandemic progresses». He added, «It is more important than ever for businesses to understand the specialties and skills that investment banks bring to their clients».

About Global Finance:

A leading monthly Anglo-Saxon magazine of the Class Editori group, Global Finance was founded in 1987 and is based in New York. Distributed in more than 193 countries and published in English in 50,050 copies worldwide, it is a leading international magazine in the field of financial news.

Global Finance covers topics relating to the finance sector on a global scale including corporate finance, joint ventures, mergers and acquisitions, capital markets, currencies, banking, risk management, etc.

Global Finance is also a privileged media partner of the annual meetings of the IMF.
