

Attijariwafa bank wins the 2019 Top CSR Performer title

Casablanca, le 17/10/2019 - Attijariwafa bank was named «Top CSR Performer» in 2019, for the third consecutive year, by Vigeo Eiris, European leader in extra-financial rating.

These awards are granted to companies listed on the Casablanca Stock Exchange that have the most advanced social responsibility approaches, and thus obtained the best scores according to the Vigeo Eiris reference framework for their ability to integrate Environmental, Social and Governance factors (ESG) in their management system.

The rating standard is composed of more than 38 criteria and nearly 330 indicators in six areas: human capital, human rights, the environment, business ethics, governance and societal commitment.

Attijariwafa bank has in fact been given some of the highest scores in the market, particularly on the following criteria: «Offer of green products and services» and «Respect for fundamental human rights and prevention of infringements».

This title comes as a recognition of the Group's ongoing commitment to Corporate Social Responsibility (CSR).

For more information on the Attijariwafa bank Group's CSR approach and achievements, you can consult the CSR 2018 report at the following link:
