Attijariwafa bank organizes the 5th edition of the International Mini Football Tournament «Attijari International Cup 2019»

Casablanca, wednesday, october 16, 2019 – Nearly 200 employees of the Attijariwafa bank group met, from October 9 to 13, 2019, at the Mazagan Beach Resort in El Jadida, on the occasion of the holding of the 5th edition of the International Mini Football Tournament «Attijari International Cup 2019 ».

This competition, which witnessed the participation of 12 delegations representing 12 countries of presence of the Attijariwafa bank group (Cameroon, Congo, Côte d'Ivoire, Egypt, Gabon, Mali, Morocco, Mauritania, Tunisia Senegal, Togo and Attijariwafa bank Europe) has helped consolidate fraternal ties and foster cultural exchange between Group employees through the values of sports such as commitment, ethics, team spirit and discipline.

Indeed, for 4 days, the participating teams experienced intense moments marked by enthusiasm, combativeness and fair play that enabled them to get to know each other better, to create strong links and to consolidate the bonds of belonging to the Group. Thus, during the final phase between the team of the Ivorian Bank Corporation (Société Ivoirienne de Banque, Côte d'Ivoire) and the team of Compagnie Bancaire de l'Afrique Occidentale (Senegal), the Ivorian team dominated the game and achieved to first place on the Podium. The ranking game, meanwhile, opposed the team of Morocco, holder of the title of the last edition to that of Attijariwafa bank Egypt, which participates for the first time in this tournament, and ended in the victory of the team representing Attijariwafa bank Morocco.

Initiated in 2009 by the Attijariwafa bank Group Human Capital in order to strengthen the human bonds of belonging and solidarity between employees, this event denotes a strong message from a Group with an international dimension that works to foster the synergy between all of its vital forces.
