

Attijariwafa bank elected by Global Trade Review (GTR) Best Moroccan bank for the year 2020 in terms of trade finance

Casablanca, June 17, 2020 - A new trophy has been added to Attijariwafa bank's rich record of achievements and its leadership at the national and continental levels. Indeed, the prestigious international magazine GLOBAL TRADE REVIEW has just consecrated Attijariwafa bank as **GTR Leader in Trade in Morocco for the year 2020** (Best Moroccan bank in trade finance in 2020).

This trophy rewards the leading banks in trade finance in their respective countries. As such, Attijariwafa bank was elected the best Moroccan bank in 2020 for its leadership and dynamism in the support of trade players through:

- A value-added offer responding to a 360° vision of its customers' needs,
- An international network of first-rate correspondents and a strong capillarity of its establishments in Africa.
- Increased digitization of international transactions.
- A culture of innovation written in its DNA.

Founded in 2002 in London, Global Trade Review is the world's leading publication specializing in international trade and has since become a leading authority in the Trade Finance ecosystem worldwide.

By this consecration, Attijariwafa bank reinforces its image as a leading bank in the financing of the Moroccan foreign trade and commits itself with its customers and correspondents to pursue its actions for more innovation and creation of shared value as well as the acceleration of its digital initiatives in their favor.
