

## Consecration: The Attijariwafa bank Group consolidates its Leadership and wins 2 New Awards in London

**Attijariwafa bank, December 16, 2019** - During the 12th edition of the «African Banking Awards 2019» ceremony by EMEA Finance Magazine, the Attijariwafa bank group won 2 awards of excellence on December 5 in London:

«Best Moroccan bank of the year 2019» for the 5th consecutive year. CBAO, for its part, was voted «Best bank in Senegal for the year 2019», and this for the 3rd consecutive time.

According to the British reference magazine, these two awards are in recognition of the progress made by the Attijariwafa bank group during 2019, as it has balanced its expansion and growth by taking into account risks in a sometimes difficult environment, and offers its diversified clients new and innovative products and services, excelling in investment banking services.

«Attijariwafa bank has a mature and well thought-out corporate social responsibility plan. We are impressed by the clear support for SMEs and MSEs not only in Morocco, but also through the group's important geographical platform, which extends over 26 countries in the EMEA region. The bank has made a concrete commitment to invest MAD27 billion in new small business loans in Morocco alone,» said Christopher Moore, Editor and CEO of the magazine EMEA Finance.

### About **EMEA Finance**

EMEA Finance magazine is an important London-based periodical dealing with the financial sector in Europe, the Middle East and Africa, some of the most dynamic and emerging regions in the world. EMEA Finance, a comprehensive source of information for the finance industry in the EMEA region, is a periodical dedicated exclusively to financial events, activities and successes related to the international financial sector.
