## «Stand Up for African Women Entrepreneurs» Trophy SUFAWE'2019

**Douala, October 31, 2019** - The Africa Development Club of the Attijariwafa bank Group and SCB Cameroon granted this Wednesday, October 30 on the sidelines of the multi-sectoral mission organized in Douala, the first SUFAWE trophy (Stand Up for African Women Entrepreneurs) to Cameroonian Kate Fotso, Founder and CEO of TELCAR COCOA.

This trophy is a pledge of recognition of the values of leadership, commitment and solidarity that Ms. Fotso embodies and conveys, through her significant action in entrepreneurship and also for her contribution to the creation of added values and jobs.

«We are honored to present this trophy for the first time in Cameroon, the home of women's entrepreneurship, to a leading figure in the service of an advancing Africa whose action leads to a positive impact», said Mouna Kadiri, Director of the Africa Development Club.

«I am proud to receive this trophy that I dedicate to all Cameroonians and all energies that work tirelessly to create value,» said Kate Fotso, cheered by the audience.

As a reminder, the SUFAWE program is an initiative of the Africa Development Club dedicated to women's entrepreneurship launched during the Africa Development International Forum 2017 and consolidated by the partnership signed between the Attijariwafa bank group, the African Development Bank and several African women employer associations concerning the accompaniment of African women entrepreneurs, on the occasion of the 6th edition of the Forum held last March.
